

Congratulations! Your child has been selected to participate in the Pre-Professional Program at South Dayton School of Dance. Your child has demonstrated his or her talent, technique, dedication, perseverance and good work ethic throughout the 2017-2018 school year and our faculty feels he or she would benefit from additional /specialized training.

The Pre-Professional Program (PPP) is an elite, invitation only program that focuses on ballet training with the goals of perfecting technique, building physical strength and developing artistry. This program is very demanding and rigorous. The PPP program is designed for the most serious students with the most potential in mind. The objective is three fold:

1. To give the dancer an opportunity to slow down in order to concentrate and perfect each and every movement.
2. To challenge the dancer by giving them the opportunity to work above themselves and to compete with and be inspired by more advanced dancers.
3. To give the dancer more class time and attention to enhance their basic skills and technique.

While in the program, PPP dancers are required to maintain perfect attendance, make up all missed classes, exhibit perfect decorum, adhere to the established dress code and respect school rules and regulations. In short, PPP dancers are expected to behave like model students. Those who are unable (for any reason) to follow or adhere to these expectations will be permanently dismissed from the program.

At the end of the 2017-2018 school year, dancers will be reevaluated. Dancers that have continued to demonstrate talent, technique, dedication, perseverance and good work ethic will have the opportunity to continue in this elite training program if so desired.

Thank you. We look forward to working with your talented, young dancer!
